STILL SPARKLING

Celebrating 60 years of brilliance.

Since 1962, Best Home Furnishings has been proud to build furniture that helps people feel at home. From classic silhouettes to modern innovations, our collection has evolved to meet customers' needs with comfort that's stood the test of time. Because at Best, we're building more than furniture. We're building bonding moments. We're building family heirlooms. And along the way, we're building a reputation for quality, value and American-made craftsmanship.

Ken Love Jr.

POWER OF BEST[®]

The combination of the company's six

THE POWER OF BEST[®]

standards are unmatched by any other upholstered furniture manufacturer.

CRAFTSMANSHIP

Made in the USA*.

Since 1962, every Best Home Furnishings chair, recliner and sofa has been made right here in the heartland of America. We employ more than 850 hard-working, highly skilled craftsmen who take pride in paying attention to details and building furniture that lives up to its name. As a family-owned company, we're proud to provide jobs that support our community and our country. And when you buy a Best chair, sofa or recliner, you become part of that legacy.

SPEED

Made to arrive sooner.

At Best Home Furnishings, we know that when you finally find your favorite piece of furniture, you can't wait to see it inside your home. For one of the industry's fastest custom-order turnaround times, we keep every upholstery and wood finish in-stock and ready to use. Our inventory and manufacturing processes ensure your Best chair, recliner or sofa is delivered in weeks, instead of months-so you can settle in and enjoy it even sooner.

SELECTION

Made for you.

At Best Home Furnishings, we believe furniture should be all about you. It should fit your life, your style and your space. To help you find your perfect seat, our furniture is available in hundreds of sizes-from oversized Best recliners, to petite easy chairs, to high-leg recliners that double as accent chairs. Our catalog includes a range of styles, from contemporary and modern, to formal and traditional. And once you find the perfect chair, you can customize your comfort with dozens of premium features, and make it match your décor with more than 700 leather and upholstery options.

POWER OF BEST®

QUALITY

Made to last.

At Best Home Furnishings, we build furniture that lives up to its name. Every one of our sofas, chairs and recliners is built and engineered to endure years of daily use. We start with kiln-dried, native hardwood frames, handpick every piece of wood and fabric, and use computerized scan-and-cut systems to eliminate defects. Our manufacturing process benefits from USA craftsmanship and checks and balances at every step. The result is furniture that remains comfortable for generations to come.

- We use sturdy frames with kiln-dried hardwood frame parts.
- Our computerized systems scan and cut out wood defects.
- Joints are doweled, screwed, glued, stapled and corner blocked.
- Deep penetrating truss plates are added to reinforce high stress points.
- We have 60 expert upholsterers with an average of 16+ years' experience.
- Every piece undergoes an 18-point sewing inspection checklist.
- Innovative Performa Weave® chaise pads are added to reclining furniture.
- Our extensive power recliner testing far exceeds industry standards.

VALUE

Made to make sense.

More than 60 years ago, our founders committed to building high-quality furniture that lasts for decades but doesn't require years of financing. It's a simple philosophy, but we've stuck to it for generations-and it even inspired the Best Home Furnishings name. Thanks to strict production standards, close vendor relationships, and efficient manufacturing, we keep our prices competitive without sacrificing quality. Because we believe your investment should make sense-today, tomorrow and for years to come.

FAMILY

Made with love.

The Lange family started Best Home Furnishings in 1962 with a commitment to engineering quality products at an affordable price. While our founder, Clem Lange, is in the American Home Furnishings Hall of Fame, and we're a top 15 furniture supplier, we haven't forgotten our roots. We're still a family-owned company - now its third generation - and we're still dedicated to making the finest furniture possible. Every dealer, supplier and customer is seen as an extension of our family.

STATIONARY SOFAS

Easily coordinated. Beautiful comfort. Built to last. The only stationary sofas worthy of being called Best.

The sofa is the signature piece of most furniture collections. Select a Best stationary sofa, and you'll enjoy the ideal match for your decor, personality and way of life. Best sofas are synonymous with quality construction, durability and unmatched comfort. Whether you choose traditional or contemporary styling, customizing your Best sofa is a cinch. Choose from an extensive selection of custom fabrics, wood finishes and accent pillows. So take a seat, you'll be comforted knowing a Best sofa will be the perfect signature piece for you.

With over 700 custom fabric and leather options, you may opt for the same pattern, or choose complimentary colors for items like chairs and accent pillows all built in days, not weeks.

STATIONARY SOFAS

Easily coordinated. Beautiful comfort. Built to last. The only stationary sofas worthy of being called Best.

Performance Fabrics

Whether it's kids, pets, or your everyday lifestyle, family friendly performance fabrics by Best Home Furnishings will keep you covered. The construction on the inside and cleanability on the outside, we will ensure that new look, every new day. Best offers one of the largest selections of performance fabrics in the industry. We understand accidents happen, but stains shouldn't have to.

the Best QUALITY & CONSTRUCTION

COIL SPRING CUSHIONS

Coils are encased in fabric for enhanced resiliency, support and to eliminate permanent coil-set. Cushion is then wrapped in a high-resiliency polyester fiber for extra cushioning, comfort and durability. 21% less breakdown. Consistently comfortable & quiet.

Backs Filled with Premium Cushioning Fibers

Durable Hardwood Frame Parts

Extra Thick, High-Grade, High Density Foam

Individually Heat-Tempered Sinuous Wire Springs tied with Cross-Wires

Joints are doweled, screwed, glued and corner blocked

EXTRA THICK, HIGH-DENSITY FOAM/HIGH-LOFT PREMIUM POLYESTER FIBERS

Plushest, most resilient seat in the industry.

DOWELED, CORNER BLOCKED, GLUED AND SCREWED

Multiple processes with extra reinforcements ensure solid, long-lasting joints.

SUPERIOR SPRING CONSTRUCTION

Sinuous wire springs are cross-wired to prevent sagging. Spring clips are coated with polypropylene to prevent squeaks.

FAST TURNAROUND

Solid comfort, custom-built in days, not weeks.

Leg Finish Options*

*Printed finish samples will vary from actual exposed wood pieces. These are used for guides and sales aides only. Please consult physical samples for best representation of color and wood grain consistency. Not all finishes are available on every Best product.
