How to make your own Dream Wall!

1 MEASURE THE ROOM

Make sure to note which way the doors open and where the windows and plug-ins are located.

2 DESIGN YOUR SOLUTION

Using the measurements of the bookcases, decide what's the best size and configuration for you. Try different arrangements for an optimal outcome. Lower bookcases are great for under the window. Create credenzas using a Corner Connector.

3 MAKE IT YOURS

Explore the various options. If you need assistance your Whittier Wood Furniture Retailer can help.
